JAMES S. GWIN, UNITED STATES DISTRICT JUDGE:

On December 1, 2014, Magistrate Judge Baughman certified facts to the Court and

recommended that the Court find Defendant Michael Lallo in contempt for failing to show cause

why he failed to appear for a debtor's examination. On December 23, 2014, the Court held a show

cause hearing, at which neither party objected to or disagreed with the facts certified to the Court

by Magistrate Judge Baughman. After considering the facts set out in that order and the proceedings

at the show cause hearing, the Court adopts Judge Baughman's recommendation and adjudges

Defendant Michael Lallo in contempt. The Court will consider a motion by the Plaintiffs for

attorney's fees or other sanctions.

IT IS SO ORDERED
